Profile

I'm a front-end developer passionate about transforming digital visions into stunning realities! With expertise in React, NextJs, and Angular frameworks, I create mesmerizing web experiences that captivate users. I have mastered the art of utilizing Bootstrap, Tailwind, and Sass, along with CSS. I also employ Figma's creativity and collaboration capabilities to bring UI/UX dreams to life.

Technical Skills

HTML | CSS | Javascript | Typescript | Bootstrap | Tailwind | Material UI | SASS | React

Angular | Git & GitHub | Figma | Postman | NextJs

Professional Experience

Software Engineer 1, *Zimetrics Technologies Pvt. Ltd.*　　　　　　　Aug 2022 – present | Goa, India

Frontend Developer
- Proficiently utilized HTML, CSS, JavaScript, React, Angular, SASS, Material UI, and Bootstrap.
- Collaborated with UX/UI designers and backend developers to translate design concepts into interactive interfaces.
- Demonstrated adaptability by creating Figma designs under time constraints to visually showcase requirements when designers were unavailable.
- Proactively addressed frontend challenges, ensuring seamless integration with backend systems.
- Directly engaged clients, incorporating feedback and contributing to an increase in customer satisfaction.
- Cultivated a dynamic and collaborative work environment to enhance project outcomes.
